High School Notes

(By English IV Class.)

The high school football team has so far exceeded all expectations. The players showed much grit and football ability in beating Fairmont 6 to 0 and 1915, to a 0 to 0 score. Everyone hopes for a championship team; so keep up the good work, boys.

Although the seniors have been organized for nearly a month, neither the freshmen, sophomores nor juniors have followed the noble example of their upper classmen.

Frank Marsh, secretary of the board of state regents, visited the high school chapel exercises recently and delivered a very interesting talk on "Thrift."

Charles Higley, of New York City, was a visitor in the high schools last week.

Miss Anna Dunn entertained a few of her friends last Saturday evening in her home on East 4th street.

The high school boasts this year of its first orchestra. It is under the supervision of Mr. Parrish, the music teacher, and is a great addition to the Friday morning chapel exercises.

Last Thursday evening Mr. Cutright took his agriculture class out to visit Mr. McRoy's farm on the West Milford road. A most enjoyable time was reported.

Two senior clubs have recently been organized—the Webster Debating Club for the boys, and the Canterbury Club for the girls. Both are progressing rapidly and are proving very entertaining and beneficial.

Last week was examination week and students and teachers were busy.

The seniors held a class meeting on Thursday evening. The object of the meeting was to decide on the class pins and class rings.

The editor-in-chief and others officers have been named for the management of the year book. The students look forward to having an exceedingly good book this year.

A bountiful display of jellies, preserves, etc., may be seen in the cooking department, as a result of the skillful work of the students under the supervision of Miss Christy. Among their various accomplishments are canned peaches, spiced pickled peaches, apple jelly, apple butter, grape jam, grape conserve, orange marmalade, canned tomatoes, tomato catsup, ripe tomato pickle, chili sauce and celery sauce.

The Rev. H. J. Allsup was a visitor in chapel Friday morning.

The girls will not start playing basketball until after Thanksgiving. So far they have been doing regular gymnasium work.

Miss Helen DeBerry is spending the week end in Terra Alta.

Mrs. Florence W. Stemple is spending the week end with relatives in Grafton.

This is the first year that the high school has been able to have the manual training course, and the boys are very enthusiastic about it. They have just finished making some attractive bookracks.

This high school is very fortunate this year in having a regular librarian, Miss Alice Griffin. The students find this very convenient and are reading very much more than formerly.

HELD FOR THE GRAND JURY.

Art Waldo waived preliminary examination and was held to the grand jury late Saturday in Magistrate W. E. Starcher's court under a charge of bootlegging, for which county officers recently arrested him. He furnished the usual bonds and was released.

MINNERS ARE PAID.

Coal miners in this region were paid Saturday. The Consolidation paid out less than usual as the car supply was short during the period. The Saturday night crowd in the city was smaller than usual on pay days.

MARRIAGE

Of a Daughter of Jesse Randolph to Alabama Man Soon.

The pleasing intelligence has been received here of the approaching marriage of Miss Lillie Townsend, daughter of Mr. and Mrs. Robert L. Townsend, of Washington, D. C., to Mr. John Kannamer, of Alabama. The happy event will be solemnized at the bride-to-be's home in Washington November 4. Miss Townsend is well known here. She is a granddaughter of the Hon. Jesse F. Randolph, of Salem. Mr. Kannamer is a progressive young southerner, holding a responsible appointment with the postoffice department at Washington. They will reside in the capital city.

WOMAN PROVES ALIBI.

Mrs. Josefa Menendez, of Grassell, proved an alibi when tried late Saturday in Magistrate W. E. Starcher's court on a charge of conducting a "speakeasy" there, for which she was recently arrested by county officers following the arrest and acquittal of her husband on a like charge. She was accordingly discharged.

IS TAKEN TO PHILIPPI.

Bond not having been furnished as expected, Butch Clark was taken to the Harbours county jail at Philippi Saturday night by J. D. Moore, United States deputy marshal, who arrested him earlier in the day on a federal warrant charging violation of the internal revenue laws in connection with alleged bootlegging.

TAG DAY IS SUCCESSFUL.

Tag day was observed Saturday in Clarksburg in behalf of the Associated Charities' campaign and a gratifying sum was raised by the sale of red tags on street corners by women and girls. People for the most part contributed cheerfully and liberally and the movement was declared to be a success.

CHARGE IS WITHDRAWN.

Mrs. Londonal Wilkinson, a colored woman of Monticello avenue, was released from the county jail Saturday night by Magistrate R. Edward Kidd, a peace warrant issued against her at the instance of Mrs. C. A. Turner, also colored, having been withdrawn. It was charged that she threatened to kill Katie S. Bassell, the complainant's daughter-in-law.

HALLOWEEN PARTY.

Misses Anne and Margaret Sizer entertained at a Halloween party Saturday evening in their home on Seventh street. A large crowd was present and all spent a most enjoyable evening in singing and dancing. Refreshments were served at a reasonable hour. The decorations were appropriate to the occasion.

BABY IS THROWN FROM WINDSHIELD.

STOCKTON, Calif., Oct. 28.—Rossbach, his wife and child, sustained injuries Saturday night when their automobile collided with a fall car. The baby was thrown from the windshield, but escaped with injuries.

Both Rossbach and his wife were cut and bruised. The impact of the collision caused the Rossbach car to turn over and roll down a thirty-foot embankment, where it took fire.

With presence of mind, Mrs. Rossbach seized a blanket and threw it over the child, thereby probably preventing it from burning to death.

The injured people were taken to Tracy.

CHICAGO, Oct. 28.—By giving his brother \$50 in marked bills, Anthony Calli, caused his relative's arrest on a charge of extorting money by threats.
